**SUBJ: Guardianships of Incapacitated Adults – Revised Background Screening Policy for Proposed Guardians; Amended Court Rules and Revised Court Forms**

**DATE: April 14, 2023**

The Supreme Court has approved revisions to the Background Screening Policy for Proposed Guardians of Incapacitated Adults (the “policy”). This directive supersedes Directive #11-21 (“Guardianships of Incapacitated Adults – Background Screening Policy for Proposed Guardians”), and promulgates the revised policy, amended rule, revised court forms, and guidance for use of the revised policy. The amendments to the court rule are also being separately published by notice to the bar.

Summary

The revised policy (Attachment 1) continues to safeguard the vulnerable population of incapacitated adults against risks of potential abuse, neglect, and financial exploitation by guardians appointed by the court to make decisions related to the care and financial affairs of the incapacitated adult. Certain proposed guardians are subject to a check of Judiciary systems, a fingerprint or computerized criminal history check,

and, at the discretion of the Probate Part judge, a certified judgment search. Proposed guardians are also required to self-disclose and certify to any criminal and civil judgment history, acknowledge receipt of and compliance with the policy, and provide periodic reports to the court of any changes to their criminal and civil judgment history. Individuals with any relevant negative history are provided with notice and an opportunity to be heard by the court as to whether the information discovered would affect the individual's ability to perform the duties of a guardian.

The revised policy presumptively exempts certain categories of proposed guardians from the background screening process. These now include people appointed by the court as guardian when an incapacitated person was a minor, as well as attorneys appointed in their professional capacity. However, as before, the court may require any proposed guardian to undergo background screening as a prerequisite to appointment based on the individual facts of the case, including but not limited to the value of the guardianship estate. Further, the revised policy establishes that parents, spouses, or appointed guardians who are proposed as guardians must file an affidavit or certification setting forth their criminal and civil judgment history for the prior ten years. It also specifies that special medical guardianships are not within the scope of the policy. Finally, it revises certain operational provisions to refine the screening process.

### Rule Amendments and Revised Forms

The revisions to the policy are reflected in the amendments to Rule 4:86-2(b)(3), as adopted by the Court by order dated April 5, 2023 to be effective May 1, 2023 (Attachment 2).

Consistent with the revised policy and the rule amendments, two forms – the Certification of Criminal and Civil Judgment History (CN 12706) (Attachment 3) and the Order Fixing Guardianship Hearing Date and Appointing Attorney for Alleged Incapacitated Person (CN 12013) (Attachment 4) – also have been revised.

## Guidance on the Screening Policy Process

The screening process involves six steps, as summarized below and detailed in the revised policy:

1. Certification of Criminal and Civil Judgment History
  - A. When a guardianship complaint is filed, the proposed guardian will file a Certification of Criminal and Civil Judgment History (Attachment 3). Expunged criminal records are deemed not to have occurred and shall not be disclosed in the certification. If no proposed guardian is identified at the time of filing of the complaint, the certification must be filed as soon as a proposed guardian is identified, or before entry of the Judgment of Incapacity and Appointment of Guardian.
  - B. The certification may be supplemented up to the time of qualification and acceptance of appointment.
  - C. Proposed guardians who are subject to the policy will receive a copy of the policy with the Order for Hearing and must acknowledge receipt within five (5) business days of receipt. Personal identifiers provided with the acknowledgment form will be used only for the background screening and not for any other purpose.
2. Fingerprinting and Criminal History Check
  - A. When the Order for Hearing (Attachment 4) is entered, court staff will coordinate with County Sheriff's departments to perform fingerprint checks of proposed guardians who are New Jersey residents. Fingerprinting may be conducted in the county of venue, or in any other New Jersey county if travel or other factors make fingerprinting in the county of venue prohibitive. Fingerprinting must be completed within sixty (60) days of filing the complaint, with failure to do so resulting in automatic disqualification absent exigent circumstances.
  - B. Proposed guardians residing out of state will undergo a Computerized Criminal History (CCH) check.

- C. The fingerprint or CCH check results may be confidentially shared with the Probate judge, the County Surrogate and/or their designees, as well as with counsel for the alleged incapacitated person.
3. Judiciary Systems Check and Certified Judgment Search
- A. Proposed guardians also will be screened by searching certain Judiciary systems.
  - B. The Probate judge also has discretion to require a certified judgment search based on factors including but not limited to the value of the guardianship estate.
  - C. The results of the Judiciary systems searches and certified judgment search, if applicable, may be confidentially shared with the Probate judge, the County Surrogate and/or their designees, as well as with counsel for the alleged incapacitated person.
4. After receipt of the screening results, the Probate judge will review the information to determine whether it contains any relevant adverse or negative history.
- A. The policy sets forth nine factors to be evaluated by the Probate judge in determining whether the proposed guardian's relevant screening results may adversely relate to their ability to perform the duties and responsibilities of guardianship.
  - B. Proposed guardians whose relevant negative history may preclude them from appointment will be entitled to notice and an opportunity to be heard on the record as to why the check results would not adversely impact their ability to perform the duties and responsibilities of guardianship. The hearing shall be conducted in open court unless the underlying matter was a closed proceeding, and the record of the hearing shall not be sealed unless the record of the underlying matter was sealed. However, the Probate judge may seal the record of the hearing upon request for good cause shown.
  - C. Fingerprint and certain Judiciary systems search results will be destroyed.

5. No later than the time of entry of the Judgment of Incapacity and Appointment of Guardian, the appointed guardian must execute an acknowledgment of compliance with the policy. At qualification, the appointed guardian must sign the Acceptance of Guardianship and Acknowledgment of Guardian Background Screening and Training.
6. The appointed guardian has an ongoing duty to comply with the policy and to disclose any changes to criminal or civil judgment history in periodic reports required pursuant to N.J.S.A. 3B:12-42.

confidentially shared with the Probate Part judge, the Surrogate, and/or his/her designee, as well as with counsel for the alleged incapacitated person.

4. No electronic copies of fingerprint reports may be made and/or distributed.
5. Pursuant to federal regulations, the Judiciary may **not** share the results of an individual's fingerprint report with that individual.

searched. The Probate Part judge or his/her designee will conduct this prior court history search. If any adverse information is obtained by such search, the Probate Part judge or his/her designee will consult with the relevant Family/Criminal/Municipal Division Manager to ensure appropriate interpretation of the data. In addition, a certified judgment search may be conducted for proposed guardians in the discretion of the Probate Part judge based on factors including but not limited to the value of the guardianship estate, with costs to be paid by the proposed guardian. 2. Records from the CIC Document Search must be destroyed immediately upon decision-making. Destruction of the records shall be in the form of shredding. The vicinage Human Resources Division Manager or designated staff is responsible for ensuring that all such records are shredded.

#### K. Evaluating Criminal History Background and Screening Information

1. The following factors may be considered in determining whether the criminal history background information and/or the screening information discovered through the search of Judiciary systems adversely relates to the proposed guardian's ability to perform the duties and responsibilities of guardianship in the best interests of the incapacitated person or estate:
  - a. The nature and seriousness of the offense or misconduct;
  - b. The circumstances under which the offense or misconduct occurred;
  - c. The date of the offense or misconduct and the age of the proposed guardian when the offense or misconduct was committed;

New Jersey Judiciary Background Screening Policy  
for Proposed Guardians of Incapacitated Adults (Revised) (Corrected)

- d. The disposition of the offense or misconduct;
  - e. Whether the offense or misconduct was an isolated event;
  - f. Evidence of rehabilitation;
  - g. Whether the offense or misconduct is relevant to the responsibilities of a guardian;
  - h. The vulnerability of the incapacitated person; and
  - i. Whether appointing the proposed guardian diminishes the public trust in the Judiciary.
2. All Probate Part judges and designees who review criminal history background and screening information need to be mindful of the presumption of innocence with respect to pending criminal charges. Review of pending criminal charges is a fact-sensitive exercise and will depend on the seriousness of the offense charged and the extent to which it touches upon the proposed guardian's prospective duties.
  3. Review of data from criminal background checks and searches of Judiciary systems will be strictly limited to the Probate Part judge and/or his/her designee.
  4. The decision to appoint or preclude appointment of a guardian based on criminal background check or screening data lies with the Probate Part judge.
  5. A proposed guardian whose appointment may be precluded based on the results of a criminal background check or screening must be provided notice and an opportunity to be heard on the record as to why the conviction or search result would not adversely affect the proposed guardian's ability to perform the duties and responsibilities of guardianship in the best interests of the incapacitated person or estate before the court decides to appoint or preclude appointment of the guardian.
    - a. Proposed guardians who may be precluded from appointment based on data contained in a fingerprint report or screening data will be afforded an opportunity to

challenge any alleged inaccuracy or incompleteness of the information within the report. Proposed guardians will be provided with an appropriate “Notice of Rights” in such form as attached to this policy. Pursuant to 28 C.F.R. 16.30-34, the “Notice of Rights (Fingerprinting)” sets forth the procedures that must be followed to challenge any alleged inaccuracies or incompleteness with a proposed guardian’s fingerprint report. The proposed guardian shall be afforded a reasonable period of time to correct or complete any information contained in their fingerprint report.

b. A guardian background screening hearing shall be conducted in open court unless the underlying matter identified through the criminal background check or screening was a closed proceeding. The record of the guardian background screening hearing shall not be sealed unless the record of the underlying matter was sealed. However, the Probate Part judge retains discretion to seal the record of the guardian background screening hearing upon request for good cause shown.

L. At qualification and acceptance of the appointment of guardianship, the guardian’s acceptance shall include an acknowledgment of compliance with this policy.

M. Guardians ordered to file periodic reports pursuant to N.J.S.A. 3B:12-42 shall have an ongoing duty to comply with this policy by disclosing any changes to their criminal or civil judgment history in such reports.

**New Jersey Judiciary Background Screening Policy  
for Proposed Guardians of Incapacitated Adults Acknowledgment Form**

As part of the process of appointing a guardian of an incapacitated adult, the New Jersey Judiciary requires background checks for certain proposed guardians prior to qualification and acceptance of the appointment. The background check is one way that the court obtains information that is relevant to determining whether a person should be appointed as guardian. The process is designed to help the court in doing what is best for the person who is subject to the guardianship.

The Judiciary recognizes that good people make mistakes, or can be subject to unfortunate circumstances outside of their control. These facts will not disqualify them from being considered as a guardian. Rather, the court will take that information into consideration – along with information provided by the person who is offering to serve as guardian – and will make a decision based on all of the facts available, including the expressed preference of the alleged incapacitated person.

Proposed guardians must file a Certification of Criminal and Civil Judgment History with the complaint. The certification may be supplemented at any time up to the time of qualification and acceptance of appointment. If no proposed guardian has been identified when the complaint is filed, the certification must be filed no later than prior to the entry of judgment of legal incapacity and appointment of guardian. The proposed guardians will be fingerprinted and a criminal history check will be performed. These background checks access the National Crime Information Center’s (NCIC) database of criminal arrests, criminal convictions, disorderly persons convictions, as well as any convictions that have been expunged.

The Judiciary also screens proposed guardians through a search of the following Judiciary systems: (1) the Automated Traffic System (ATS), (2) Promis-Gavel, (3) the Judiciary’s Children-in-Court (CIC) Documents Application, which will access limited areas of the Domestic Violence Central Registry through the Family Automated Case Tracking System (FACTS), Promis-Gavel, and the Automated Complaint System (ACS), and (4) the Civil Judgment and Order Docket (CJOD). No other internal Judiciary program may be searched. In addition, the court may require that a certified judgment search be conducted for proposed guardians based on factors including but not limited to the value of the guardianship estate, with costs to be paid by the proposed guardian.

If a conviction is revealed, or if a proposed guardian's name appears on any of these database searches, the information will be reviewed for a determination as to whether the proposed guardian should be precluded from appointment as a guardian. Again, a conviction or an appearance in the search results will not automatically disqualify a proposed guardian from appointment. Rather, the court will consider whether the conviction or search result adversely affects the proposed guardian's ability to perform the duties and responsibilities of guardianship in the best interests of the incapacitated person or estate.

A proposed guardian whose appointment may be precluded based on criminal background check or screening data shall be provided notice and an opportunity to be heard on the record as to why the data would not adversely affect the proposed guardian's ability to perform the duties and responsibilities of guardianship in the best interests of the incapacitated person or estate before a decision on appointment is made. The proposed guardian will be given a "Notice of Rights," which sets forth procedures to challenge any alleged inaccuracies or incompleteness with a proposed guardian's fingerprint report, and an opportunity to challenge any alleged inaccuracy or incompleteness of the data. The proposed guardian shall also be afforded a reasonable period of time to correct or complete any information contained in their fingerprint report.

At qualification and acceptance of the appointment of guardianship, the guardian's acceptance shall include an acknowledgment of compliance with this policy.

Guardians ordered to file periodic reports pursuant to N.J.S.A. 3B:12-42 shall have an ongoing duty to comply with this policy by disclosing any changes to their criminal or civil judgment history in such reports.
