

## Reporting Changes in Registration

Changes in mailing address, name or tax ID must **first** be made with [NJ Division of Revenue](#) and [NJSTART](#). Additionally, an email must be sent to the Language Services Section providing specifics on all changes(s). The Registry of Interpreting Resources will be updated once Language Services can confirm change(s) with the NJ Division of Revenue and NJ START.

Changes in telephone numbers, cell numbers, languages, e-mail addresses and/or availability may be reported by simply sending an e-mail to the [LangSvcs.Mailbox@njcourts.gov](mailto:LangSvcs.Mailbox@njcourts.gov). These changes do not need to be reported elsewhere.
